Locals.

FUN AND PHILOSOPHY .- The Opera House was pretty well filled Monday night with an audience of the best people in the two cities to hear the inimitable Bill Arp discuss this theme. He was very cleverly introduced by Hon. C. B. Watson and proceeded to his work without further preliminaries, and for over an hour entertained his audience with a medley of fun and philosophy, witty, ludicrous sayings linked on to sentences of solid hard, sense, showing the author to be not only a man possessed of a keen sense of the ridiculous, with a happy talent for delineating with pen the humorous fancies of his brain, but also a close observer of current events, and a deep student of the social, economic and other questions that concern the human family, especially the American, and more especially the Southern portion of it. Bill Arp does not aspire to oratory, but he has the happy faculty of selfpoise and of getting on free and easy terms with his audience from the start. His lecture is a good one and will delight any one who enjoys fun or appreciates good hard sense linked with fun.

THE TAX LIST .- The tax list of Forsyth county shows the value of real estate and personal property in Winston township to be \$2,987,272, and in Forsyth county \$4,986,275. County income is \$3,000. Shares in National State and private banks \$226,600. The following is the total taxes: State and General tax \$19,024.26; Road tax, \$4,178.47; County tax, \$10,980.06.

-The new steam fire engine for Salem was tested Saturday with satisfactory results. Within six minutes after the fuel in the furnace was lighted water was forced through the hose. With 100 feet of hose a stream was thrown 234 feet and with 1,000 feet of hose 180 feet. It is a 3,000 pound engine, and when loaded with water weighs a little over 4.000. It is an A No. 1 machine.

-Bill Arp received much attention and was very courteously welcomed and entertained by citizens of Winston and Salem. He visited all the points of interest in both towns, and seemed to enjoy his visit quite as much as those who had the pleasure of meeting him enjoyed him.

-There was no quorum at the meeting of magistrates last Saturday to consider the question of a house for the insane at the Poor House. At the meeting of the Commissioners on the first Monday of next month the probabilities are it will be decided to build a house, commodious enough to answer the purpose, which can be done for about \$500.

—Temperature for the past seven days, taken at 9 a. m., by a Signal Service Thermometer, at Ashcraft & Owens' drug store:

October 20-65. October 24-70. 25 - 68." 26—68. 22 - 64.

-Two slight shocks of earthquake were felt in this locality last Friday, one in the morning about five o'clock and the other in the afternoon about three o'clock. The tremor in the afternoon was sufficient to rattle the glass in buildings.

CITY CENSUS.—Mr. P. W. Dalton has been engaged for some time in taking a census of the population of Winston, which will probably be finished some time this week. It will foot up about

-Superior court convened on Monday, Judge MacRae presiding. There are on the criminal docket 144 cases, (none capital offences,) 52 civil cases and 25 on the summons docket.

-The preliminary survey for the extension of the railroad from Winston to Wilkesboro has been completed and the surveyors are now engaged in locating the line.

—Salem has long held the monopoly of the "big coffee pot" but Winston now comes in with a "big tea pot," which has just been erected by E.J. Allen, opposite the Post Office.

-Bill Arp's letters are full of humor, wit, philosophy and wisdom. They will appear regularly in The Progressive FARMER.

-Read Ryttenberg Bros.' Trade Palace special announcement in another column of this paper. They mean business.

-THE PROGRESSIVE FARMER has secured the right and privilege to publish Bill Arp's letters every week.

FARMERS' CLUB.

Form of Constitution and By-Laws. CONSTITUTION.

This club shall be known as the Farmers' Club of ship. Its object shall be to improve the condition of the farmers and promote the cause of Agriculture.

Its officers shall consist of a President, Vice-president and Secretary and Treasurer, who shall be elected for the term of one year.

It shall be the duty of the President to preside at all regular or called meetings of the Club, and to announce the order of business. In his absence the Vice-President shall preside. In the absence of both, the Club may elect a temporary Chairman.

It shall be the duty of the Secretary to keep a record of the proproceedings of the club, and carry on such correspondence as the Club may direct.

In addition to the officers there shall be an Executive Committee consisting of three or more members, as the Club may determine, to transact business appertaining to the Club.

Applications for membership must be made by petition, endorsed by one or more members of the Club. Such petition shall be referred to a committee, who will report at the next regular meeting, when a vote may be had upon the petition, a majority of the Club, not of those present simply, being necessary to elect to membership.

No one shall be eligible to membership unless practically engaged in Agriculture. Farmers' wives and daughters may be elected as honorary members.

There shall be no initiation or other fee charged. All necessary expenses shall be defrayed by proportionate assessment or by voluntary contributions, as the Club may decide.

The President, Vice-president and Secretary shall be ex-officio representative members of the Club to the County Club, when such is organized, and shall have full power to vote and act for the Club, unless the Club shall decide to elect other members as such representatives.

The Club shall have power to draft by-laws for its government.

The constitution may be amended by giving two months notice of the amendment proposed in writing, but no amendment shall be carried without a two-thirds vote of the members of the Club.

By-Laws.

I. The meetings of the Club shall be held once a month (or oftener) at such time and place as the Club may direct. Special meetings may be called by the Executive Committee if deemed advisable.

II. The order of business shall be: 1. Calling the roll.

2. Reading minutes of preceding

3. Election of new members.

4. Report of committees.

5. Unfinished business.

6. New business. 7. Election of officers.

III. Elections shall be by ballot, the tellers appointed by the President, and those candidates receiving the largest number of votes, as counted before the Club, shall be declared elected.

IV. After the regular business, the club may hear discussions, essays or addresses upon Agriculture, but no religious or political discussions will be permitted, or nothing calculated to mar the harmony of the Club.

V. Seven members shall constitute a quorum for the transaction of business.

Each member will have the right to express his views fully upon any subject under discussion, but must do so courteously and not indulge in rudeness. Breach of courtesy will subject the offender to reproof, and if persisted in, he may be expelled by a vote of the Club. An expelled member cannot regain admission under one year.

Every member should feel it his duty to advance the interests of his fellow members, and of his brother farmers, giving such aid and council as they may seek, when in his power to do so.

The above form, with slight modifications, will answer for the organization of County Clubs.

There is no change in the tobacco market. Breaks are light, but fair for the season.
